Merchant Marine Notice
IUU LIST

No.: MMN-01/2020

January, 2020

1. The purpose of this Merchant Marine Notice is to communicate that it is our effort to prevent Illegal, Unreported and Unregulated Fishing which remains one of the greatest threats to marine ecosystems due to its strong ability to undermine national and regional efforts to manage sustainable fisheries as well as the attempts to conserve marine biodiversity, we are providing an official list of all vessels that appear on the IUU fishing vessels list published by Regional fisheries management organizations (RFMOs) .
2. In this sense, this administration request to all Panamanian Recognized Organizations, Classification Societies and Law firms to do not provide any sort of service related to the Panama Merchant Marine and any of the fishing vessels mentioned on the attached list.
3. This administration reaffirms its commitment to end illegal, unreported and unregulated (IUU) fishing, understanding how it adversely impacts the legitimate commercial fishery as well as the fish populations and expects all parties for their cooperation.

January, 2020.
